WELCOME MESSAGE

Dear Friends,

Dear Friends, on behalf of the organising committee of the **RSSDI UP CHAPTER**, it is indeed a great pleasure to invite you all to the **12th Annual Conference of RSSDI UP CHAPTER**. The conference has been scheduled on Sunday, 11th -12th February 2023 at AMA convention centre, Prayagraj.

As always, this annual conference will also attempt to provide an academic feast of latest developments in the field of diabetes. In addition to providing clinical updates relevant to diabetes practice, the conference will provide a platform to our members and fellow physicians to interact and exchange views, and help improving the understanding of Diabetes.

As we all know, the knowledge and understanding of diabetes is changing at a tremendous pace. From basics of pathophysiology to development of newer interventions, the last decade has seen a phenomenal change in the way we look at the subject of diabetes. In keeping with the basic ethos of RSSDI, research is an integral part of RSSDI and the conference will also provide a Platform to researcher & young students as well as resident to present their original work and interact with other researcher in the free paper presentation session which will be a very important part of the conference.

The Venue Allahabad Medical Association Convention Centre is carefully chosen because of great infrastructure, and grand ambience and sufficient space to accommodate the gathering. Hope you all will be there in large number and make the conference a great success

With best wishes!
