

Dear Friends,

It is a pleasure to welcome you to Prayagraj on 13th July 2025 for the meeting 'Recent advances in Gastroenterology and Hepatology 2025' being organised by the Department of Gastroenterology and Hepatology, MLN Medical College and Gastro Club of Prayagraj.

There has been a paradigm shift in the management of Gastrointestinal and Liver diseases in the last few years. New frontiers have been reached in diagnostic and therapeutic endoscopy and management of several Gastrointestinal and Hepatic diseases non-surgically.

To keep you abreast with what is new this meeting aims to provide you with recent trends in management of various Gastrointestinal and Liver diseases which we believe will enrich your clinical approach and management of complex clinical cases.

We need to learn from each other and share knowledge for optimum management of our patients.

The meeting will have deliberations by eminent national faculty who are doyens in their field of expertise and will be attended by about 300 delegates.

We welcome you all to join us on 13th July 2025 for this informative meeting.

Kindly confirm your participation at the earliest so that we may mail you your assignment.
